Because I was unable to catch everyone before the redundant instruction on the fourth leg, I had to drop D.I.Y. 2.

There were only 2 class 4 novices, so they got bumped up to class 3.

The Monopoly Rallye was won by the Matsura team, with \$138 rental value.

The Scrabble Rallye was won by the Craighead / Ketelhut team, with a word score of 13.

The High-hand poker game was won by the Polomski team, with a Flush.

The Low-hand poker game was won by the Kempf team, with a hand of 86543.

Thanks to Jan Skiles, Ken & Diane Watson, Cark & Jeanette Ek, Ken Sumner, and Jim McLaughlin for helping to make the rallye happen, and to all the teams that showed up on a not-so-nice (weather) day.
