Happy New Year 2011!.....

Hope everyone had a great holiday. I want to welcome the two new CCM Board members: Lynn Bannister, Corresponding Secretary and Jennifer Aiken, Social Director.

Our Annual Awards Banquet is on Saturday, January 15th. This will be the first free banquet in CCM history. Due to the Board of Directors wanting to give back to our members for their support we hope you will be there. Our top 15 competitors will be honored along with class winners and CCM workers. Pat Jutras does a wonderful job of coordinating the banquet each year. Without the workers we would not have had such a successful season. Thank you to all of our workers. A special thanks to Jim Rees for coming to our autocross events and taking pictures of our competitors.

Bruce and I will be heading for Florida again and have been asked to work at the Mecum Auction in Orlando. It didn't take much time to make a decision. The auction starts on Wednesday, January 26th and runs thru Sunday, January 30th.

We are looking forward to a great 2011 for CCM. If you have an idea for a Social event please let Jennifer or a Board member know. We sure can use all of the help of our membership. This is your club so get involved. Remember that our meetings are always on the fourth Wednesday of each month and we meet in the service area of Les Stanford Chevrolet-Cadillac on the south side of Michigan Avenue.

Our January 26th meeting will be our Annual Business Meeting. Your new Vice President, Glenn Grace, will be presiding at this

January meeting while the President is in sunny (I hope) Florida.

Reminder: CCM will be hosting the Michigan Region Party this year on April 9th.

CCM Membership Update – January 2011

Wow, 2011! It seems hard to believe. I still vividly recall when we were all bracing for Y2K! That seems like it was just yesterday. Anyway, Happy New Year to all, I hope everyone had a joyous Christmas and a safe New Year's. Again as you can imagine, rather slow month during December. However we did have a couple of folks that misplaced their membership renewals came back with the club in December, so our total count as of the end of 2010 and starting the new year is; 241 members. Thank you. By now everyone should have gotten your new membership card(s) in the mail. If you did not get a new card, and you sent in your renewal payment, please contact me. (jrees1957@yahoo.com)

And I hope everyone knows the annual CCM awards banquet is coming up soon on the 15th of January. Cost this year is FREE! Ya can't beat that! If you haven't RSVP'd yet, please do so right away to Pat Jutras at; patriciaj@comcast.net We will have a cash bar this year, deejay Terry Tunes will be providing music and of course worker and competition awards from the 2010 season. Hope to see many of you there!

That wraps it up for me for this month, as always: "*Stay Informed and Stay Involved*".

Each of the outgoing board members was presented with a framed chenille NCM logo and engraved nameplate.

Schram Auto Parts and Reed Schram Donate Historical Documents

If you've seen the new A&E show Storage Wars, you know that the bidders don't always know if what they are buying will be trash or treasure. For Reed Schram and Schram Auto Parts in Waterford, MI a recent purchase of an old crate of parts resulted in some historical documents. The crate contained remnants of the Corvette Indy Prototype project- including two photo albums documenting the build and every part included in the build, a complete parts list of every part that they used, all of the engineering drawings of the vehicle and custom parts, promotional photos of the car and more.

Reed, and his Auto Parts company, decided these items would best be preserved at the National Corvette Museum and donated them to us where they are now a part of our Library and Archives. Thanks, Reed!

Come Gather with NCM

This year's Gathering, marking the 15th anniversary of the LT4 Grand Sport, focuses on the technical side of ZR-1s and C4s in general. Highlights include Gordon's School, a Jingles Road Tour and the 2012 Corvette Walk Around, plus new seminars on transmission swaps, modifying C4s, upgrading brakes and swapping
