On May 20th the Duntov Trophy from our First Annual Motor City Corvette Concours will be on display at the National Corvette Museum (NCM) in Bowling Green, Kentucky. Several of our members along with the Stanford's and other sponsoring clubs of the MCCC are heading down to the NCM for the presentation during the C4/ZR1 Gathering. The Second Annual Motor City Corvette Concours will be held on Saturday, September 24, 2011. Check our website and be sure and register for this fun event.

The Annual Corvette Encounter will be held on June 11th at Les Stanford Chevrolet. Also, be sure and check our website for this event. Contact Jim Rees if you would like to work the event. We need all the help we can get from our members.

We have already had 2 competition events this year. A rallye put on by Gordon McCann. Also, an auto-cross put on by the 2nd and 3rd Generation of Watson's. Come out to some of our events and enjoy the camaraderie and joy of driving your Corvette.

It was great meeting some of our new members at the New Member Orientation in April. We invite each and everyone of you to participate in our various activities. If you have any questions you can always contact a CCM Board member.

Be sure and check out the Michigan Region Corvette site. We have a lot of region events coming up during the next several events. Your participation helps our club receive points towards the Michigan Region yearly award, as well as, going towards the National (NCCC) yearly points award.

Two of our long time CCM members are in need of your support. A "thinking of you" or "get well" card would sure be appreciated. You can send your cards to the following:

Barb Bush-1401 Ross-Plymouth, Michigan 48170-2120

Peggy Krom-8715 Skylane Drive-Brighton, Mi. 48114

Thanks for helping to cheer them up.

If interested in going to the GM Heritage Museum on Saturday, October 1, 2011 please contact Bruce Wentzel. The museum continuously brings in different vehicles and they always have something new there. There will be a fee of \$20 per person. This is going to be a private showing for all the clubs that are involved in the MCCC event. Even if you have been there before you are sure to see a lot of new displays.

Looking for a CCM member to head up the Annual June CCM Membership meeting cruise to a restaurant.

Our June 22nd meeting has been a CCM cruise to a restaurant for many years. There are 5 Wednesdays in June, but we always meet on the 4th Wednesday. Unfortunately a lot of us will be at the National Corvette Convention in Tinley Park, Illinois that week. Please let me know or Glenn Grace (Vice President) if you could help with this event.

This is YOUR club and it takes all of us to make it the best ever.

Looking forward to seeing all of you at our CCM General Membership meetings. If you know of someone who would be a great guest speaker for our general membership meetings please contact Gary Claudio, Program Director, 248-807-8061 or gman3081@comcast.net.

If you missed our April meeting you missed seeing what CCM apparel is available. Jeff Wixom, owner of Sunset Sportswear, presented items that can be purchased.

Mary Wentzel, 2011 President

membership report

Well, it's May in Michigan. Does that mean it may have finally stopped snowing? Can we finally bring our precious Corvettes out from their winter slumber? I have seen some tulips here and there, so I guess that is a good sign. Time will tell. New members – we got more new members. Coming to CCM from Allen Park are Buddy and Kim Shearouse and their 2005 Daytona Sunset Orange coupe. Bringing a black 2008 Z06 from Bloomfield Hills is, Eric Schiebold. And from Livonia in their Pewter 2000 coupe we have Vince and Michele Hogrebe. Welcome all to CCM and we hope to see you at our many events scheduled for the upcoming spring, summer and fall.

Shows – As was mentioned briefly last month, the 15th Annual Corvette Encounter will be held on Saturday June 15, 2011. This Corvette show is open to ALL Corvettes. Trophies will be awarded for open judged competition. Cars are judged on cleanliness and condition only. In addition there will be a NCCC sanctioned people's choice show, which will allow both entrants and spectators to choose their favorite Corvette from all generations, from C1 thru C6. NCCC points will be awarded along with trophies per the NCCC guidelines. Show flyers and entry forms are online at the club website, (www.corvetteclubmi.com) and elsewhere in this issue. By pre-registering before June 4, 2011 you will be eligible for a drawing to win a Corvette car cover. As of our April general membership meeting, I currently have 17 CCM members volunteered to work at the show. I still need at least 5 to 7 more members to help out that day. Please send me an email (jrees1957@yahoo.com) with your name and shirt size if you are able to assist at the show. A final worker count is needed by May 25th, so the worker shirts can be ordered.

MORE IMPORTANTLY – This is CCM's annual show and members need to send in their entry forms to display your Corvettes. It is a great opportunity to meet up with old friends and also form some new friendships in the Corvette family. And win something too! So, go to the website, or elsewhere in this issue, download an entry form and get them sent in.

For those of you that do show your Corvette and are wishing to compete in the Motor City Corvette Concours in September, some of the other clubs that are working with CCM to put the MCCC together, also having shows in the weeks ahead. The Flint Corvette Club has a People's Choice show on June 4th and the GMC Corvette Set hosts Corvettes on Main in the Village of Rochester Hills on June 5th. In addition, the GMC club also hosts Corvettes at Canterbury Village in Lake Orion on June 18th. All of these shows are qualifying events for the MCCC.

That's all for now! As always remember to: *"stay informed and stay involved"*.

50 Year of Le Mans Film Premiere Raises Funds for Chip Miller Foundation

With all the makings of a Hollywood drama, love story and action film, "The Quest" documents the incredible story of the first Corvette to win its class at the famous track in Le Mans France in 1960. Of course the car couldn't have done it alone – "The Quest" tells the untold tale of the driver and the man who dreamed to take the car back to France for the 50th anniversary of the win but who lost his life early to a rare disease called Amyloidosis.

For one night only, the Chip Miller Charitable Foundation (CMCF) is premiering the heartwarming documentary created by the award-winning filmmaker Michael Brown. The movie will show on Friday, May 6th at 7:30 p.m. at the Carlisle Theatre, 44 West High Street in downtown Carlisle, Pennsylvania. All proceeds from the tickets will benefit the Foundation. Visit www.QuestDocumentary.com for tickets.
