Mary Wentzel, 2011 President

No idea where the summer has gone, but fall is right around the corner. So enjoy your Corvettes while the weather is still nice.

I would like to express our condolences to the Bush family, Godett family, Groves family, McIntosh family and Willard family.

We still have lots of events left for this year. Autocrosses, rallies, drag racing and the Motor City Corvette Concours to be held on Saturday, September 24th at Les Stanford Chevrolet Cadillac in Dearborn. Pre-registration is encouraged. Concessions, dee-jay, door prizes and a free concert featuring Steve King & The Dittilies plus a lot of spectacular Corvettes. There will be a Corvette Concours, Judged Competition and People's Choice. Help support our sponsor and club by bringing your Corvette out to this event.

I am sure some of you have heard rumors regarding Les Stanford Chevrolet Cadillac sponsoring another Corvette club. It is true that they are now sponsoring the Corvette Legends Club, but they are still sponsoring CCM. CCM has a long relationship with Les Stanford Chevrolet and that will remain. We wish the Corvette Legends the best with their new sponsorship. So don't panic and think that CCM is being left behind.

I want to thank Sharon McCann for sharing the following valuable life lessons as taught to her by Barb Bush and the characteristics that made Barb so very special.

FASHION: You can never have too much black or black and white in your wardrobe. Shopping for clothes is an art form.

A CCM member confided to Sharon that the only reason she attended the Awards Banquet was to see what Barb was wearing.

Pottery Barn and Crate and Barrel are a way of life.

Somerset really isn't that far away.

Barb was truly high maintenance, but she was worth it.

TRAVEL: If leaving early in the morning you could always count on Barb to bring the coffee and donuts. When traveling with Barb add at least an hour and a half for bathroom breaks. You can never pack too many shoes.

COOKING, EATING AND DRINKING: When you are a beautiful blonde cooking is not a necessity. If you don't cook you don't have a messy kitchen. When Barb wants to go out to eat we all go out to eat. Barb never ordered anything from the menu without eliminating several ingredients or adding others. Sending cards is easier than making a casserole. Barb never completely finished a beverage. Barb liked Sharon even better after Sharon had consumed at least two margaritas.

MISCELLANEOUS: Barb could wear beautiful jewelry better than anyone. Her perpetual even tan was far superior to Sharon's amateur farmer's tan. Even though she couldn't see, she preferred stylish boutique reading glasses over Granny Bifocals.

The McCann's and the Seidelman's were very fortunate to have had Barb, Don, Tammy and now Dave as part of their family for so many wonderful years. Barb was a fantastic "Honorary Aunt" to Josh and Ryan Seidelman. Like everyone we will miss her everyday.

A reminder that CCM meets in the service area of Les Stanford Chevrolet Cadillac every fourth Wednesday. The next CCM General Membership meeting will be On September 28th. At this meeting we will be taking nominations for 2012 officers. The following offices are available:

President, Vice President, Treasurer, Recording Secretary, Corresponding Secretary and 3 Board Reps. We welcome all members to apply for these positions. This is your club and we need your help.

If any of you have any ideas for a social please let someone on the Board know. On October 1st Carol Glowacki will be hosting a Cruise to Frankenmuth for CCM. She does a great job and you are sure to have a wonderful time. On Saturday, October 8th Bruce and Mary Wentzel will be putting on a TSD Rallye starting at Baker's of Milford along with several game rallyes. We welcome all CCM members and friends to participate in these events.

CCM Membership (and Shows) Update – September 2011

Please join me in welcoming another new member to CCM this past month. Steve Kay of Clarkston comes to the club with a 2010 Blade Silver coupe. Welcome Steve! Believe it or not it is about time for membership renewals. Look for your 2012 renewal post cards to be coming in the mail about the third week of September. Dues payments must be returned by October 31st to avoid any extra fees.

It is now official. Club apparel, that is. The “official CCM” club apparel is now available. The Board has chosen three items as official club wear. Items consist of; a 100% polyester white polo style shirt, a light gray t-shirt and a black and gray full zip fleece. All items are available in either men’s or ladies styles. An un-structured stone color cap is also available. An order form and photos of the items can be found elsewhere in this issue or on the club website at the “apparel” tab. Contact fellow club member; Lynn Bannister (zr1chickie@yahoo.com) to place orders. These items are provided through Sunset Sportswear of South Lyon, MI. (sales@sunsetssportswear.com) many other items from their catalogs can also be ordered with the CCM logo(s).

Corvettes on Woodward: What an awesome event this was. On Wednesday August 17, prior to the Woodward Dream Cruise almost 500 Corvettes gathered at the Radisson / Kingsley Inn in Bloomfield Hills. Corvette owners from as far away as California, Texas, Colorado and many, many owners from metro Detroit came together to support the Helping Hands Food Bank. Corvettes of all generations, models and colors gathered in the afternoon for this great cause. At 7:30 pm the police blocked Woodward and we all roared out of the parking lot and headed south together. It was truly an awesome site to see.

Shows: The last Corvette show of the 2011 summer season is fast approaching. I’m referring to the *Motor City Corvette Concours (MCCC)*, of which CCM is one of eight organizing and host clubs. I’m not going to hide my disappointment at the poor showing of CCM members at our own Corvette Encounter back in June, and partly because of which I will no longer be Chairman of the Encounter. It is important that the membership of CCM be involved and participates in the MCCC. As the largest of the eight clubs involved in putting this show together and making it a premier Corvette event, CCM should have the greatest presence at this show. I strongly encourage members to submit an entry form, shine up your Corvette and come enjoy yourself on Saturday September 24th. It’s not too late to submit your entry in to be eligible for the drawing to win a Corvette leather jacket. The members of this club own a lot of nice Corvettes, so why not come out and show them off? Trophies will be presented in both the judged and People’s Choice portions of this show.

NCCC points will also be awarded for the People’s Choice portion. The MCCC committee will soon be choosing 30 spectacular Corvettes from around our area to compete in the concours portion of the show for the Zora Arkus-Duntov trophy.

I wish to thank those members in advance that have volunteered to assist in the judging and other duties involved with the show. Thank you. The MCCC entry forms can be found on the CCM website or elsewhere in this issue. The show flyer, entry forms and all show information is also available at:

www.motorcitycorvetteconcours.com

Steve King and the Dittilies will again be performing, from 1:00 to 3:00 in the afternoon. Food concessions will be provided by Dearborn area restaurants, Made in Michigan will have craft booths on site also. Be sure to mark your calendars and try to attend.

That’s all for now, remember: “*stay informed and stay involved*”.

Tom & Karen Fuller Join One Acre Club

Tom Fuller has always been a "wrench twister" according to wife, Karen. He has rebuilt several Corvettes, and the couple enjoy collecting military vehicles, motorcycles, street rods, tractors and vintage cars in addition to running their farm in Suwanee, GA.

Karen said that Nancy and the late Al Jones (also One Acre Club members) were their inspiration for joining the Museum as Life-time Members and that was the best thing they have done when it comes to Corvette ownership.

"We joined the One Acre Club because we felt it was a way to give back to Corvette and the next generation. Our grandson, Thomas V, loves driving the Corvette his Dad got in high school - so the Corvette 'heart throb' lives on in our family."

Thanks to the Fullers for their continuous support of the Museum. To learn more about the Motorsports Park project, go to www.corvettemuseum.com

Corvette Bridge Returns to Road America – Words of thanks, from NCM Executive Director, Wendell Strode

Team NCM - the Corvette Museum's participation was a huge success.

A big thanks to Randy and Charla Pierce for transporting the vintage race car that had been donated to the NCM by Leon Hurd; for safeguarding the car during the three days; for bringing NCM merchandise and for helping staff the NCM booth on Sunday. They just do an awesome job representing the NCM and Randy does an awesome job securing and transporting the car and other NCM stuff.

To Ivan and Mary Schrodtr who introduced us to many of their friends and club members, and then spent all day Sunday staffing the NCM booth! Sales were outstanding and Tammy/Marla will provide an update on that at one of our managers meetings.

To Richard and Jon Anderson who participated in most of the vintage races while promoting the NCM.

To Nick and Janet Polasek who were here from Canada and were busy all three days talking up the NCM and spent Sunday working the NCM booth.

To Jan Hyde and Jim Gessner for an outstanding Corvette World Tribute event on Sunday. It appeared to me there were close to 100 Corvette race cars there. Lance Miller brought 6 or 7 and Mike Yager brought 3-4. What an awesome collection! We encouraged Jan to do this type event at other tracks and pledged our support in helping make it a success. I believe if I was a track owner, I would be approaching Jan and Jim and asking them to put together a similar type event for the day after a Saturday race for all the Corvette owners that are there and the new ones it will bring to them.

To Barb Armbruster with Corvette Engineering who talked about the NCM as part of her presentation at the Corvette Corral.

To the local host club, they have done an outstanding job with their own Corvette Corral before they were popular at other tracks.

To Amy Manardo for handling our credentials for us.

DCSCC Report

Just a very brief update this month.

By the time you read this, there will be only three Champ events left for the 2011 year, with two of these events to be hosted by CCM. The dates are:

September 18th: CCM
October 2nd: MSCC
October 23rd: CCM

As a follow up to AROC's cancellation on July 24th, that event will not be made up.

As always, I would suggest checking the Council website for possible last minute changes and also the latest in points standings. Matt Luckow, the pointskeeper for Detroit Council, does a nice job in updating the season standings on a regular basis. Go to <http://dcsc.blogspot.com>

As always, if you have any questions, shoot me an e-mail or give me a call!

Respectfully submitted,
Al Chan
