First of all, I would like to thank those who came out in spite of the cold weather (never know what's in store for the first event). I also want to thank all of the people who helped me set up (you know who you are). From talking to everyone, it sounded like we did OK setting up the course. I appreciate the compliments from everyone who said they had fun out there. Good thing we didn't have to run in the snow!! Once again THANK YOU to everyone who made this event happen!!
