Lorraine and I would like to thank everyone who made the effort to come out and find this event through all the construction. We would also like to thank everyone who worked, especially those who worked, but didn't run. Gordon designed another terrific course for us. We had 147 cars and we were done by 3:45. That took co-operation. Thank you. Thank you. Thank you. We hope you had a great time. See you next year.
